20<sup>th</sup> Annual International Conference on "Traffic Noise" – September 29<sup>th</sup> - October 2<sup>nd</sup> 2011  
Dresden, Germany

### **The Conference**

We are proud to build on 19 years of conference experience and to create with the 20<sup>th</sup> Annual International Conference on "Traffic Noise" a platform to approach and overcome the challenges posed by effective noise abatement at national and international level.

This year, we will again bring together recognised experts, decision makers and highest level executives from every infrastructure, industry, administration and politics. Top-class speakers create a forum to exchange experiences, aiming at developing more effective strategies for the protection of the population and the entire environment from traffic noise and at implementing them as swiftly as possible.

### **General Information**

The Conference will take place at the Hotel Kempinski Taschenbergpalais Dresden, Germany.

The conference will begin with a brief welcome at 09:00 a.m. on Thursday, September 29<sup>th</sup> (registration starts at 07:30 a.m.) and conclude on Sunday, October 2<sup>nd</sup>. On Saturday, October 1<sup>st</sup>, you will be invited to our exclusive gala dinner in the most historic setting of Dresden.

### **Key issues**

- Noise reduction programs
- Impact of noise on humans and animals
- Public communication and public relations
- Legal issues
- Photovoltaic and noise protection
- Innovative efforts
- Noise reduction at airplanes, trains, ships and cars
- Financing

### **Highlights**

- The conference will take place in the historic baroque Hotel Taschenbergpalais Kempinski Dresden, in the heart of Dresden's beautiful old town.
- There will be international speakers from all continents.
- Our partner country will be the USA this year.
- The gala dinner will take place in the magnificent Dresden State Art Collections.
